3 octaves: C, D, Eb

2 octaves: E, F, G, Ab, A, Bb

Minor Scale and Arpeggio:

2 octaves: G melodic minor

Chromatic:

2 octaves: C - C

2021-2022 Brevard All-County Orchestra Audition Information

Audition Process

Auditions will be live and anonymous. Students must not talk to the judges, but may communicate with the room monitor. The judge may ask the student to move on to the next selection before the student has reached the end of the current selection, if all of the scoring fields are complete. Some auditions may be “split,” i.e. scales and sight-reading in one room, and excerpts in another.

Audition Material

Scales and Excerpts: Requirements are found on the back of this page. Students are to prepare both excerpts, and will be asked to perform two of the scales listed. Scales are to be performed from memory.

Sight-reading: An eight measure piece will be sight-read. Fifteen seconds will be given for perusal of the piece before it is performed. No sound may be made on the instrument during this time.

Scoring Rubric

The following musical categories will be scored from 1—10 for each excerpt and sight reading piece performed: correct notes/intonation, rhythm, tone, and style. Scales will be scored from 1—10 on correct notes/intonation, rhythm, and tone.

All-County Calendar

Please note that students selected to participate in the Brevard All-County Orchestras are required to attend all rehearsals and events listed below:

Audition
